LAND BILL ATTITUDE MENACING

Attendants at Mass-Meeting Held in Tokio Demand Retaliation

Oaklanders Send Protest to Sacramento Against Passage of Anti-Alien Measure

Lieutenant-Governor Wallace today received the following message from Tokio:
"Methodist missionaries urge defeat anti-Japanese legislation. Situation serious." (Signed) HARRIS."

OKIO, April 18.—The situation brought about by the California alien land-holding bill is becoming increasingly serious. A mass meeting today, composed for the most part of irresponsible persons, demanded the most extreme measures of retaliation by Japan. War songs aroused the feelings of many of the lower classes who were present.

Anonymous writers in the newspapers give an outline of plans for the seizure of the Philippines and Hawaii and at the same time denounce the Japanese government's submissive attitude. It is said that the changed conditions in Japan make it impossible for the government to restrain the newspaper and the lower classes.

On the other hand, government circles are showing a friendly spirit. Hamilton Wright Mabie of New York, Dr. Peabody and John L. Mott, secretary of the International Committee of the Young Men's Christian Association, were the guests today at a luncheon given by Baron Nobuyuki Makino, the foreign minister, at which some of the most prominent Japanese and Americans were present. A very cordial feeling prevailed.

APPEAL TO WILSON

Shortly after the luncheon Mabie, Peabody and Mott and a number of representative Japanese Christians and Americans met at the residence of Count Shigenobu Okuma, former Premier and Minister of Foreign Affairs. Count Okuma made a speech in which he said that diplomacy, religion, and commercialism were helpless and that only the influence of Christianity remained. Otherwise, he declared, war was impending.

HAMMEL ELECTED TEMPLAR LEADER NAMED GRAND COMMANDER

TEMPLARS of the Grand Commandery, State of California, this morning signally honored Sheriff William A. Hammel of Los Angeles by electing him Grand Commander of California. The election took place at the session of the Grand Commandery, composed of the officers of the different California commanderies. Several officers were chosen this morning and the remainder will be elected later today. The installation will take place late this afternoon.

OTHERS ARE ELECTED.

The other officers elected at this morning's session were: Sir James R. Tapscott of St. Shasta Commandery, deputy grand commander; Sir Perry Winslow Weidner, Golden West Commandery; Los Angeles; grand generalissimo; Sir E. E. Stone, San Francisco, grand captain-general; Sir Samuel A. Clarke, San Francisco, grand senior warden; Sir J. M. Peel, Golden Gate Commandery, grand junior warden; Sir Charles J. Noll, El Dorado Commandery, grand treasurer, and Sir William A. Davison, Sacramento Commandery, grand recorder. Among the officers to be chosen during the session late this afternoon will be the grand preceptor, the standard and sword bearers, grand warden, grand organist and grand captain of the guard. It is expected that the incumbents will be retained in most of these places.

At the close of the exhibition the commandants of the quartet of drill corps were presented with burnished shields embossed with the insignia

of their respective commanderies.

Pope's Condition Is Reported to Be Worse

The Pontiff May Die at Any Time Or Longer for Months.

ROME, April 18.—A report gained circulation shortly before noon that the Pope's condition had taken a very sudden turn for the worse. At the hour of this dispatch it is impossible to verify the report.

The prostration and exhaustion of the Pope are undoubtedly augmenting and according to those about him, he could die at any time or may even longer on for months.

HAMMEL IS NOTED.

The new grand commander, William A. Hammel, is one of the most noted residents of California, having been an officer and pioneer in Masonry and one of the earliest administrators of Masonic affairs on the coast. Under his administration another prosperous

period of growth is in progress.

The past grand commander, Rudolph Wallace Meek of Oakland, is one of the city's prominent professional men and is a notable figure in Masonry. For years he has been one of the foremost leaders in the order about the bay.

His administration, which culminated in the great conclave in his

home, was a success.

Welcome Showers in South During Night

Los Angeles and Vicinity Gets a Goodly Measure of Rainfall.

SAN FRANCISCO, April 18.—A welcome rain fell in different parts of California during the night, and while the precipitation was not particularly heavy in any section, the south received good measure, and it is still raining in and about Los Angeles.

Conditions are ripe for showers, but it is not expected that the bay region will get much of a wetting. The southern portion of the Sacramento Valley and the cities immediately around the only regions to escape rain during the last 24 hours. At Red Bluff, 26; Eureka, .02; Fresno, .04; Los Angeles, .20.

Professor Alexander McAdoo of the district weather bureau said this morning that the precipitation was gratefully received and that a little more would be a benefit.

NEW YORK, April 18.—The population of New York City today is 5,232,000 persons, according to the latest figures compiled by the New York City health department. The official census of 1910 recorded a population of 4,766,883.

\$400,000 Appropriated For New North Hall

SACRAMENTO, April 18.—Speaker George's bill appropriating \$400,000 for the construction of and equipment of a new hall at Berkeley to take the place of the historic old North Hall was the first to pass the Assembly today. Expenditure of the money is to be

done by dynamite and the remainder of

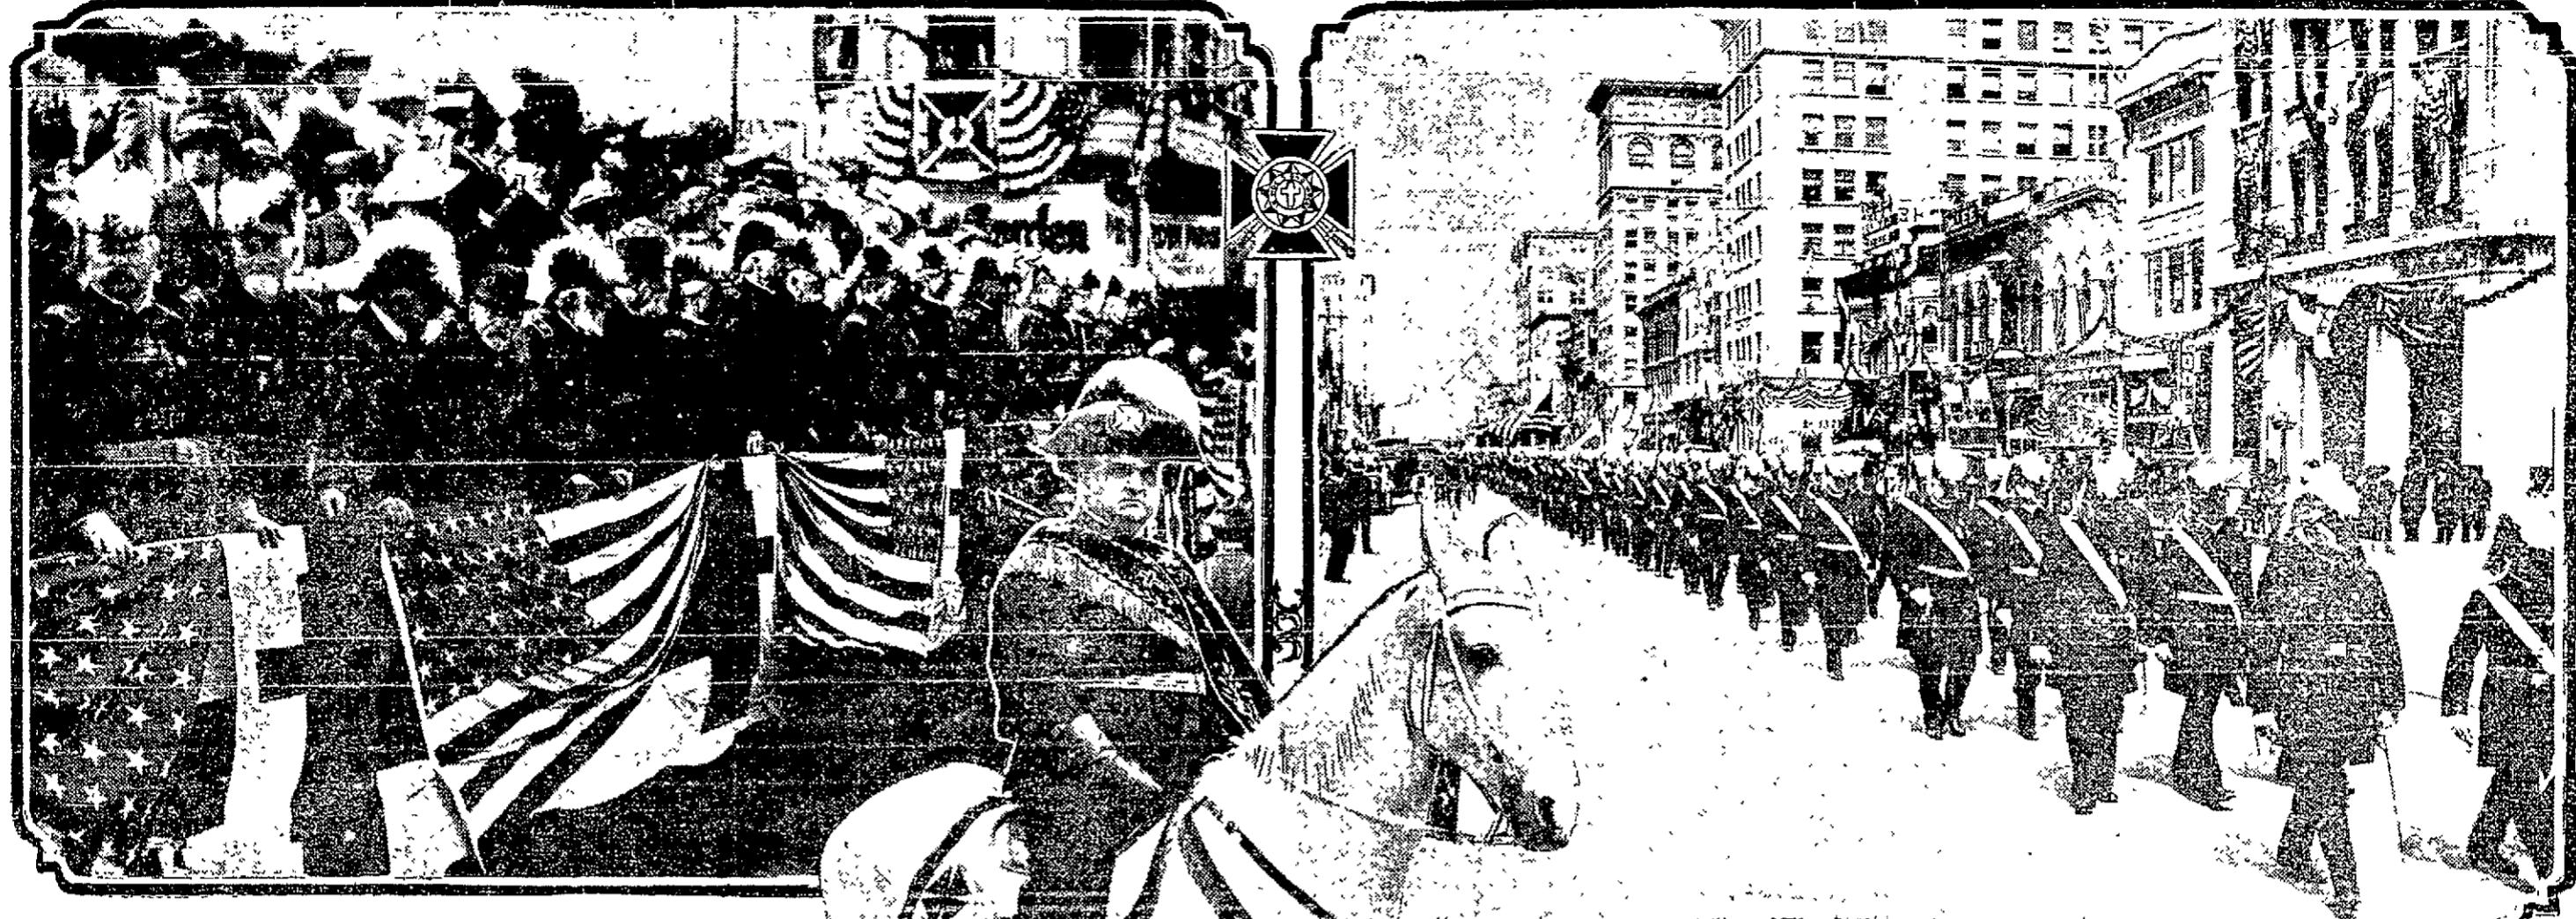

the sum will be saved.

RICE'S LANDING, Fla., April 18.—Four men were injured and property valued at \$100,000 was destroyed by fire early today. Two buildings in the path of the flames were blown up by dynamite and the remainder of

the building saved.

IMPRESSIVE INSTALLATION. Late this afternoon, after the remainder of the list of officers to be named is elected, impressive ceremonial will mark the installation of the Grand Commandery officers. This ceremony will take place at the Masonic Temple. The new officers will take their oaths of office and several addresses will be made.

Following today's election the Grand Commandery lunched in the Masonic Temple before proceeding to the drill exhibitions at Lakeside Park.

Luncheon was served in the banquet hall on the third floor of the temple. This event was entirely informal.

Presented Medal by British Ruler

Eminent Sir Francis H. E. O'Donnell, commandery, is one of the few Templars in America to boast a medal presented by a representative of the King of England. O'Donnell, who is himself an Englishman, was honored with a Templar's cross presented by Sir Henry James Fitz Roy, Earl of Euston, and representative of the King at the San Francisco conclave.

Time Your Relief from Constipation.

YOU are constipated. You want relief and want it quick. There is no use going around all day with a heavy, dragging feeling in the limbs, disordered stomach, bad breath, and all that comes within one hour from the time you take $\frac{1}{2}$ glassful of **MUNYADE JAMES WATER**, the Natural Laxative, your bowels will move gently, surely and effectively, and your good health and spirits will be restored.

As a business man or woman, with lots of duties before you, a healthy mind and body are necessary. Don't waste a day of your life; it can never be recovered. Take $\frac{1}{2}$ glassful **MUNYADE JAMES WATER** any time on an empty stomach; watch the clock; within one hour or so and you're relieved. Get a bottle at any Drug Store to-day.

Isn't It Aggravating Isn't It Annoying

to put your hard-earned cash into a suit of clothes and find out later that the suit was not all that it was represented to be—not what it should be—does not compare with the many suits you see our customers wearing that cost them far less than you paid? Isn't it aggravating? Isn't it annoying?

Here's the why of all this:

- ¶ You have either bought a "nationally advertised suit" where the magazines get part of what you're entitled to.
- ¶ You have bought where the rents are so high that they have been forced to ask you to help pay the landlord—or
- ¶ You have bought where they have sacrificed the quality of the fabric in order to get the flash in pattern. Nothing like this in our

O'Donnell at that time served on the escort to the Earl, and on the latter's return to England he sent the cross to the Oakland commander.

Fitz Roy has the title in Templarism of Most Eminent Grand Master of the Great Priory of England and Wales, an office similar to that of the Grand Master in America. He attended the San Francisco conclave as a representative of the Templars of England.

The Oakland conclave was signally honored by the Grand Master of the Templars of the United States, Most Eminent Sir William Brownell Mellish of Cincinnati who sent Sir Curtis G. Wynn, past grand commander of Oregon, to review the parade and attend the sessions of the conclave.

The delegate reviewed the parade yesterday in the grandstand with Right Eminent Sir R. W. Meek, grand commander, whose term expired today and whose place was taken by Right Eminent Sir William Hammel of Los Angeles. Wynn praised the parade formations and drill work and was especially pleased with the final feature of the pageant when the Templars, en masse, marched by the reviewing stand.

Many Will Sail Home This Evening

About 150 Templars leave tonight on the steamer Harvard for Los Angeles, these having come here in the same boat. They will be escorted to the Southern Pacific train which will take them across the bay by the Oakland escort. A number of Templars from Pasadena will also leave on the boat.

Many Are Guests at Hotel Dinner

Dr. and Mrs. White of Los Angeles, Mrs. Melvin of San Francisco, Miss Frances Neville and Miss Louise Long of this city were the guests of Sir Kingley W.

Excellent Police Service Is Praised

In appreciation of the excellent police service rendered by the local department yesterday during the parade of the Knights Templar, the Grand Commandery passed the following resolution:

"On motion adopted by a unanimous vote it was ordered that the grand recorder, in the name of and as the representative of the Grand Commandery extend a vote of thanks to Chief of Police Walter J. Petersen and to the members of his force, for the efficient manner in which the streets were policed during the progress of the Templar parade this afternoon."

WILLIAM A. DAVIS, Grand Recorder.

Knights Attend Local Playhouse

The round of entertainment accorded the visiting Sir Knights and their ladies included a theater party this afternoon, when the Knights attended "Are You a Mason?" the rollicking farce comedy adapted from the German by Leo Dittrich. The play was given at the Liberty playhouse.

A feature of the afternoon was the demonstration for the visitors of the working of the revolving stage, which is the only one in the West.

Knights and their ladies who did not attend the theater party went for automobile rides, visited the Piedmont Park and art gallery and Idora Park.

RETURN TO WORK.

LEIEGE, Belgium, April 18.—Several hundred workmen who went on strike here on Monday returned to work to-day, but to counterbalance this a large number laid down their tools in the neighboring district of Havre.

of the order and carrying an inscription telling of the presentation by Oakland Commandery No. 11, on the occasion of the grand conclave in this city.

PRESENTATION BY OFFICIAL.

The presentation was made by Eminent Sir Francis H. E. O'Donnell, commander of Oakland, No. 11.

The shields were received for the drill corps by their commanders. The drilling teams and their commanders were:

California Commandery, No. 1, of San Francisco. Eminent Sir Harry Maundrell, commandant.

Los Angeles Commandery, No. 9, Eminent Sir Andrew J. Copp Jr., commandant.

Golden Gate Commandery, No. 18, of San Francisco, Eminent Sir Casimir J. Wood, commandant.

Mission Commandery, No. 41, of San Francisco, Sir William C. Olsen, commandant.

The men of the drill corps were in their fatigue uniforms and gave a soldierly appearance in their clock-work marching. They worked like well-trained pieces of machinery, each man in his place, the entire body working as an organic whole. The changes were handled with kaledoscopic speed and ingenuity.

ONLY GUESTS IN DRILL.

Oakland Commandery, No. 11, did not present its drill team in the exhibition. Only a limited time was granted for the affair and the Oakland Sir Knights decided to give this over entirely to the exhibition by their guests.

Each drill corps was allowed 20 minutes for its evolutions. A bewildering set of evolutions was presented by each of the corps.

Six Knights in full uniform, with their ladies, clustered on the rising ground above the natural amphitheater in Lakeside Park, which formed the stage for the exhibition. Cheering and applause rewarded the clever evolutions of the uniformed knights and waving handkerchiefs and cheering voices recalled the old tournaments of knights of the time of the crusades.

MANY FEATURES IN BIG PARADE

All the Lines Are Withdrawn; Brother Marches With Brother.

Several interesting features marked the big parade of the Templars yesterday. Prominent men marched in line with the tank and file of the Templars, commanded by men far below them in worldly station. In the Berkeley line Charles E. Sargent and Frank Heywood, rival candidates for the office of mayor, over whom a political war is brewing, marched side by side. Police officers, professional men and business leaders marched together for several miles in the big parade.

Commander Francis H. E. O'Donnell, although indisposed, insisted on going through the parade, and later attended the ball. His reported collapse created considerable alarm, and he reassured his commandery, stating, that it was not serious. At night he attended the Templars' ball.

EMINENT OFFICIALS ARE GUESTS OF SOUTHRONS

Golden West Commandery Entertains at Banquet; Band Gives Concert.

Jeweled Sword Is Presented to Eminent Commander R. W. Meek.

Officers of Oakland Commandery, the Grand Commandery of California and several of the distinguished visitors from different parts of the state, gathered in the Renaissance grill room of the Hotel Oakland last night, preceding the concert and grand ball, as the guests of Golden West Commandery No. 43 of Los Angeles. This commandery, which is one of the strongest in the state, boasts one of the only two Templar bands in the country, and has taken a prominent part in the conclave throughout, entertaining at an informal dinner before the concert given by the band.

Only short informal addresses were made, the speakers including Eminent Sir C. A. Yarnell, commander of the Southern commandery; Eminent Sir Francis O'Donnell of Oakland; Right Eminent Sir R. W. Meek of the grand commandery, and several other officers of the state and grand commanderies.

The Los Angeles band, charmed by their hospitality and in turn complimented Oakland on the success of the conclave, praised the hotel and the city and expressed themselves as well pleased with the reception given them and the attractions offered by Oakland in welcoming the Knights of the Cross.

HIGH OFFICIALS GUESTS.

The grand commandery officers who were guests at the affair included Right Eminent Sirs R. W. Meek, W. A. Hammill, James R. Tapscott, Perry W. Weldener, Samuel A. Clark, J. M. Peal, R. H. Sink, C. L. Field, William A. Davies, Benjamin F. Blodson, Robert Wankowski, William H. White and Samuel W. Mayer. The Oakland Commandery guests included Eminent Sirs F. H. E. Deppell, Robert B. Gaylord, Elmer E. Johnson, Herbert L. Breed, Walter H. Colton, James H. Todd, Gustavus C. Ralph E. Cotter, Charles H. Cowell, Harry O. de la Manta, Augustus Kompeky, and Robert G. Evans. Among the special guests were Sir P. M. Wulff, Sir George H. Smith, Eminent Sir F. H. Hersey, Sir W. H. Cohle, Sir R. E. Cotter and others.

Following the banquet the sir knights proceeded to the bathroom with their ladies to hear the Los Angeles band. The band was seated in the middle of the spacious room, which was crowded to the limit. So dense was the crowd that it was almost impossible at the ball after the concert, and Maple Hall was impressed, about 300 couples being sent there.

PRESENTED WITH SWORD.

During the evening Right Eminent Commander R. W. Meek was presented with a splendidly jeweled sword, the insignia of Templarism, by Commander H. E. Leland of California Commandery, mounted who, in a short address on behalf of his commandery, praising the able administration of the retiring commander of California Templars, turned over the gift. Meek answered briefly, thanking the San Francisco commander for the gift and the praise accompanying it, which, he declared, he hoped in a measure to merit.

"The commanders both commented on the success of the present conclave in the conclave city, complimenting Oakland Commandery on its work in arranging and carrying through the affair on so large a scale."

REMARKABLE ORGANIZATION.

The Los Angeles band, which was

held at the concert, principally in the martial airs to which the Templars march, and several classical pieces, including the Barcarolle from Offenbach's "Love, Tales of Hoffmann," is one of the most remarkable musical organizations in the world.

It is composed of Templars, many past officers, who were, in their youthful days, professional musicians. Coming to Los Angeles in its early days, before the wave of prosperity made it what it is today, the band members, who played in different bands of the city, invested in real estate, and when the boom came, laid the foundation for fortunes. They became prominent business men and affiliating with the Templars, and renewing old ties, when they knew each other as musicians, they decided to form a band that would make the Los Angeles commandery famous.

HALF OF INITIATION.

The Order of the Red Cross is the first half of the initiation into Knight Templarism. The ceremony is given with all the solemnity of the York Rite of Masonry. One candidate will be given the Order of the Red Cross tonight, and will then be qualified at a later date to receive the Order of the Temple, giving him the full rank of Knight Templar.

On the occasion of conferring the Order of the Red Cross before the grand commandery, the ceremony is known as the Exemplification of the Order of the Red Cross. Special music has been provided for the occasion.

ALL SKILLED MUSICIANS.

All are remarkably skilled musicians, the band being far better than many of the ordinary professional bands heard. There is only one other Templar band of this kind in the world, this being in Philadelphia. It is not so large, however, as the Los Angeles band, which consists of forty pieces.

A feature of last evening was the exhibition drill of California Commandery

PROTEST AGAINST BILL IS MADE AT CAPITAL

Senator Sanford, Anti-Alien Advocate, Object of Attack

(Continued From Page 1)

Mott agreed in replying that the influence of Christianity was now superlative. Dispatches were sent by the meeting to President Wilson and others imploring them to use all their influence on Christians and thoughtful people to avoid a calamity.

The Japanese government considers the present anti-Japanese movement in California as most dangerous and is faced with the prospect of placing itself in a most unwelcome position owing to the unwillingness of the federal government at Washington to intervene and the impossibility of introducing counter measures here.

In the event of the passage of the California alien land-holding bill through both houses of the Legislature, Japan will issue an imperial ordinance enforcing the Japanese foreign land ownership bill of 1910 and will apply to the federal government at Washington for permission for the Japanese to become naturalized citizens of the United States.

URGES DISPATCH OF FLEET.

At the great mass meeting of protest held here last night there was an hysterical anti-American outbreak. Deputy Matsumura urged the dispatch of a Japanese fleet to California as a first step toward establishing Japan on an absolutely equal footing in the United States.

M. Miyake, an editor of the Japanese Times, deprecated the constant visits here of American peace apostles, "when their own country is in urgent need of the principles of justice and humanity."

Other fiery orators insisted that the questions between Japan and America had to be settled now and for all times, for their constant recurrence would lead at last to the arbitrament of war.

Twenty thousand persons listened to the remarks of the fire-brands who apparently are engineering a campaign to mold public opinion in Japan.

Missionaries Protest to State Legislature

SACRAMENTO, April 18.—Another telegram from Tokyo, protesting against the enactment of an anti-alien land law by the California legislature was received by the Senate this morning, and called forth a sharp, bitter debate between Senator John B. Sanford (Democrat) and Senator N. W. Thompson, administration leader and co-author with Senator Birdsall of the revised land bill. The message which was addressed to Lieutenant-Governor Wallace, was as follows:

"Methodist missionaries urge defeat anti-Japanese legislation. Situation serious. (Signed) 'Harris.'

SANFORD PROTESTS.

When it had been read by the clerk, Senator Thompson moved that it be printed in the journal. Senator Sanford protested.

"I move that this Senate send a message to Mr. Harris telling him to attend to his own business. California can attend to hers without advice from Japan or elsewhere," he said.

Senator Thompson was on his feet in an instant.

"There is but one man on this floor who would demean himself by making such a motion," he cried.

Sanford then explained that he was "tired of all such messages," adding that if this was to be printed in the journal, he had 400 or 500 letters and telegrams taking the opposite view of the situation that he wanted printed also. He withdrew his motion, and the Harris message was ordered printed.

Governor Johnson refused today to discuss the measures now before the legislature.

"Just Usual Bluff," Declares Sanford

SACRAMENTO, April 18.—News of the growing disquiet in Tokyo and the general protest from Japan against the enactment by the California legislature of an anti-alien land law that would affect the subjects of that nation met with varying responses here today when it became known that the lower classes were crying for war.

"Just the usual bluff," was the comment of Senator John B. Sanford, Democrat, when he read the dispatches. "I'm in favor of telling Japan to mind her own business and let California mind hers."

Sanford has introduced an anti-Japanese bill at every session of the legislature for ten years and he is highly pleased at the prospect of passing such a measure at this session. Senators Birdsall and Thompson, administration leaders and co-authors of the amended bill now pending in the upper house, admitted that the situation was serious, although hitherto, they said, the attitude of most of the senators had not been so.

NO WORD FROM WASHINGTON.

Surprise was expressed over the fact that no word has come from Washington showing the views of President Wilson and Secretary Bryan and it is believed that the bill will be held up in the senate until next week in the hope of receiving some official communication that will point to a course of action.

Senator Thompson continues to protest against the proposed amendments to the Birdsall bill that differentiates between aliens who are eligible to citizenship and those who are not. Such amendments were offered yesterday following a conference between members of the senate and representatives of large European syndicates, and probably will come up for argument today or tomorrow.

"There can be no objection by the Japanese to the original committee substitute in the senate," said Senator Thompson this morning, "for it treats all aliens on par."

"It is absolutely defensible on the ground that it is in line both with national policy and the statutes of many of the states."

"But the magnitude of foreign investments here and the great need of the state for development have roused the commercial interests and the public in general to a realization of the results that would attend the shutting out of all foreign capital."

AMENDMENTS ALTERNATIVE.

"These amendments have been offered as the only alternative. They are now before the senate and when the time comes they will be argued along those lines. I cannot tell what the outcome will be."

An indication of the effects of the proposed legislation upon foreign capital is contained in a letter received today from Charles White Mortimer, British vice-consul at Los Angeles. The letter in part is as follows:

"In the long run the measure may

be good for the state, but in the immediate future it may cause some financial disturbance. Within the last few days I have completed the examination of the title to some of property in Kern county which an English company intended purchasing for \$2,000,000, the first payment to be made on the 20th of this month. They have now advised them not to buy and I think the deal is off."

Scores of similar letters and telegrams are pouring into the capital.

Inquiries by Nations Concerned Is Expected

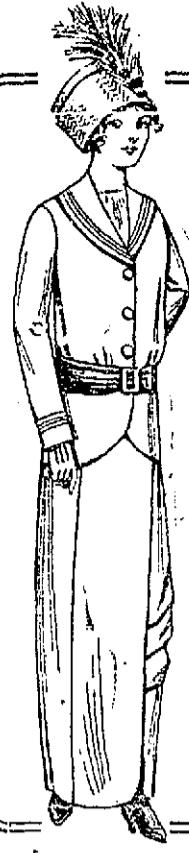

WASHINGTON, April 18.—Italy's inquiry of the probable effect of the pending alien land laws in California on Italians and their interests in that state is expected to be quickly followed by similar inquiries from other governments which have subjects engaged in farming, fishing and enterprises which might be affected by such legislation. Intimations already have been received that other governments are interested.

Diplomats here point out that the Maori incident in Louisiana in Harrington's administration established the inability of the federal government to exercise any control over a state in such questions, and about all Senator Bryan can do at this stage is to assure his questioners that the California legislation, as officials here hope to see it finally framed, will not affect their subjects injuriously.

President Wilson's announced selection of George W. Guthrie to be Ambassador to Japan is taken with a measure of relief by those interested most vitally in the situation. Guthrie probably will soon be nominated and on his way to Tokyo. American interests in Japan have been strongly urging that an ambassador be appointed to succeed Lars Anderson, who has just returned home.

MAY TEST NATURALIZATION.

HONOLULU, April 18.—A report is being circulated here that a claim made in Tokio that Japanese living on American soil are eligible to naturalization will be tested in the Hawaiian courts if the question is not settled at Washington. If Hawaiian Japanese were admitted to citizenship they would have an overwhelming voting majority on the islands.

Peevish Children Suffer With Worms

Don't be angry with your child because he or she is continually irritable. In ninety-nine out of one hundred cases you will find that the trouble is worms.

Among the common symptoms of the presence of round worms are nervousness—which often leads to epileptic-like attacks—dizziness, vertigo, capricious appetite, restless sleep, itching of the eyes and nose, nausea and often hysteria. Round worms are several inches in length and infest the stomach. Occasionally several hundred are found in a single person. Thread worms are smaller, often not longer than a quarter of an inch. The symptoms denoting their presence are about the same, but in this case the child has no appetite.

Jayne's Tonic Vermifuge is unsurpassed in removing worms. Not only will it destroy them, but its tonic effects will restore the stomach to healthy activity. As Jayne's Tonic Vermifuge seldom purges the intestines of its beneficial effects will be the improved condition of the person using it.

Mesops of parents have praised this medicine for more than eighty years.

5 MEN KILLED BY FALL OF BALLOON

Collapse Was Due to Tear in
Envelope, Apparently
Intentional.

NOISY LE GRAND, France, April 18.—One of the most terrible accidents to a spherical balloon in many years occurred here this afternoon, when the military balloon Zodiac collapsed at a height of about 650 feet and fell to the ground with five occupants, all of whom were killed.

The Zodiac left the Aero Club Park at St. Cloud with the military aeronauts, Captain Chavennet and Denoue, Lieutenant de Vaisselot and Artilleryman Rechy, and the civilian pilot, Augustin Thileville, aboard.

Three of the men—Chavennet, Rechy and Augustin Thileville—were killed outright. Denoue and de Vaisselot were still breathing, but died on the way to the hospital.

The exact cause of the accident remains a mystery. The collapse of the balloon was due to a tear in the envelope, which apparently was made intentionally.

SOLON; BEAUTIFUL BURSTS ON SENATE

J. Ham Lewis in Holiday Array Holds Up United States Machinery.

WASHINGTON, April 18.—For five minutes yesterday the United States Senate batted in admiration when James Hamilton Lewis, Senator from Illinois, appeared to take his seat. This is the wondrous vision of gaudy elegance that burst upon the grave and reverent Senators.

An array of pink whiskers, parted in faint spread and quivering with animation.

Head crowned with shock of hair designed in most careful disorder, with curling locks in front.

Large white "wings" collar, encircled by black lace, fastened in huge puff, held by single pearl pin.

Low-cut white waistcoat, double-breasted with numerous pearl buttons.

Linen shirt with pleated bosom and turned-back cuffs.

Lavender-bordered handkerchief peeping from the breast pocket.

Cutaway morning coat, dark gray in color, edged with black broad, buttoned tightly also waist so tight and slender as to give suspicion of some hidden compression. There were whispers that he wore corsets, for no manly Senator ever exhibited a waist to equal it.

Dark striped trousers, patent leather shoes and eyeglasses dangling from long black strings completed the costume.

SWEET TOOTH OF U. S. LARGEST

Per Capita Consumption of Sugar Is Almost 40 Pounds.

WASHINGTON, April 18.—There are more "sweet toothed" persons in the United States, apparently, than in any other country of the world, its average per capita consumption of sugar being almost 47 pounds, a showing that is due partly by reason of foreign and domestic commerce and made public today by Secretary Redfield. The report shows that in Great Britain the per capita consumption was about three pounds, more but this was attributed to the "large amounts used in fruit canning and preserving for export."

About one-fifth of the world's sugar is eaten in this country. In 1909 and 1910 Americans consumed 3,255,771 tons while the United Kingdom trailed second with 1,707,956 tons, Russia following with 1,193,889 tons, and Germany fourth with 1,116,315.

In 1909-10 the United States and its possessions produced 1,232,018 of a world total of 8,294,334 tons of cane sugar. In the six years from 1900 to 1910 the European production of best sugar increased 6.6 per cent, while that of this country increased 113 per cent, although its total was still less than one-tenth that of Europe.

NEW YORK AMERICAN SWEEP BY FLAMES

NEW YORK, April 18.—Fire which started in a pile of waste paper in the pressroom of the "New York American" at 1:45 o'clock a. m. put the pressroom employees to flight and sent such volumes of smoke through the upper floors that the stereotyping and mall room forces were compelled to vacate. So stubborn were the flames that a third alarm was turned in.

The pressroom employees barely managed to save their street clothes, so grand was the spread of the flames.

The fire started while the first edition of "The American" was still on the presses. The fire was gotten under control about 2:40 o'clock a. m.

TRY TO CROSS TRACK; 3 KILLED BY CAR

LOS ANGELES, April 18.—Three persons were instantly killed at Santa Ana late yesterday afternoon, when a car on its way to the beach struck an automobile driven by J. M. Cain, a prominent real estate man of Santa Ana.

The dead are J. M. Cain of Santa Ana and Mr. and Mrs. Pears, wealthy Iowa tourists, who have been living at Los Angeles. Cain, who was a member of the Santa Ana school board, attempted to cross the Newport car line at McFadden street. The auto was thrown 50 feet.

CONCERT IS HELD IN FREMONT AUDITORIUM

Fremont High School auditorium was the scene of a concert recently rendered entirely by the students of the Oakland High School and consisting of both instrumental and vocal selections.

The first four numbers of the evening were classical selections by the orchestra, and were followed by series of choruses, and solo parts, the latter being sung by Marion Finger and Barbara Miller. A quartet—Marion Finger, Barbara Miller, Edith Bullock, Myrtle Marshall—gave a classical contribution.

CHICAGO, April 18.—Reinforced by a Chicago youth adjudged the highest in point of achievement of Cook county school boys, the forty youngsters from California, who are making a tour of the world to show other nations of what young America is composed, left yesterday.

At Lansing, Mich., the 17-year-old son of Judge Brown, head of the Boy Achievement Movement, will be made one of the band. Ultimately the party will travel from Boston after stops in Eastern cities.

At the regular meeting of the self-government committee of the Oakland High School held recently, John Mitchell,

who was elected chairman of the committee, resigned from that body.

Mitchell, resigned from that body. Mitchell has been succeeded by Ellery Stone, who is enroled in the post-graduate course.

Owing to numerous athletic interests, Mitchell found it impossible to continue the work of the self-government committee.

He is captain of the track team this season.

GIRLS SELL CANDY TO AID O. H. S. ASSOCIATION

For the benefit of the Associated Young Women Students' Association, the girls recently sold candy, which netted \$25. The money was to defray the expenses for furnishing the rest room, which the association has secured in the high school.

ECCLESIA INITIATION.

Last Friday afternoon the initiation of the new Ecclesia members took place in the O. H. S. gym. After the initiation a program consisting of five "reels" of motion pictures, musical numbers, refreshments and dancing completed the afternoon.

Theodora Todd is to be congratulated for the success of the affair.

JOHN SMITH.

—Webster photo.

Former crack football player of the Oakland high school, John Smith, has returned to school for a post-graduate course.

He is now treasurer of the cafeteria. For a number of terms he was a member of the Argus, the school magazine of the Oakland High School.

In the scholastic as well as the athletic activities, Smith has been an interested worker. He served on many of the dance committees and was a student representative.

JUNIOR DANCE.

The pupils of the junior class will give a dance this evening in the Oakland High School gymnasium, Twelfth and Jefferson streets. During the evening the Metropolitan orchestra will furnish musical numbers. Members of the faculty will act as partners.

The arrangement committee includes

Miss Macmillan, Marlene Binnell, Ruby McClellan, Thomas Graven, President Snoke, Orville Caldwell and Robert Stoops.

It is often difficult to tell just what is the matter with a crying, peevish baby or child too young to express its feelings in words, but as a general rule the mother will find that there is a tendency to constipation, which has brought on a headache or nervousness. The little one has no pain, but feels "out of sorts."

The first thing to try is a family remedy, containing good but mild laxative properties, and many mothers will say that their child would be Dr. Caldwell's Syrup, Peppermint. Thousands of mothers keep it in the house for such emergencies, among whom may be mentioned, Mrs. Jennie Manuel, Alameda, Ill., who began to give her baby, Frederick, Syrup, Peppermint when he was 6 months old, and has used it ever since with gratifying results. She writes that Frederick is from infancy to old age, and because of its mildness families should prefer it over all other remedies. It is absolutely safe and reliable. You will never again give cathartics, pills, salts or such harsh physics, for they are usually unnecessary, and in the case of children, women and elderly people, are a great shock to the system, and parents should avoid them if no member of your family has ever used Syrup, Peppermint and you would like to make a personal trial of it before buying it in the regular way of a druggist, send your address—a postcard will do—to Dr. W. EFFORTS TO SADDLE NEW TAX ON CITIES IS OPPOSED

Delegation from Alameda County to Voice Protest at Sacramento

SACRAMENTO, April 18.—A delegation from Oakland and Alameda county is expected at the capital tonight to protest against an amendment in the constitutional amendment introduced by Assemblyman George C. Clark of Inyo county, designed to compel cities and counties owning property in other cities and counties of the state to pay taxes thereon. The amendments to be contested were drafted at the instance of City Attorney Shinn of Los Angeles, and are intended to exempt the improvements placed on property held by cities or counties in other cities or counties.

The particular improvements mentioned are equipment, appliances, works and structures of any public utility owned by a city or county and operated in another city or county. It is argued this amendment is for the purpose of protecting Los Angeles' scheme for the generation and sale of power. This would exempt a revenue producing utility that would be in competition with a privately-owned similar utility.

BONDS ARE DEFEATED.

A bond election for the purpose of erecting power plants was defeated in Los Angeles a few days ago. Senator Strobridge stated last night that should such an amendment be accepted and should the City of San Francisco purchase the properties of the Spring Valley Water Company, about 100,000 acres of which are located in Alameda county, San Francisco could operate plants in Alameda county and operate them free of taxes, paying

GRAY FADED HAIR, OR BEAUTIFUL, DARK, ATTRACTIVE - CHOOSE, MADAM!

Says Sage Tea Mixed with
Sulphur Restores Natural
Color and Lustre.

Gray, faded hair turned beautifully dark and lustrous almost over night is a reality, if you'll take the trouble to mix sage tea and sulphur, but what's the use? You get a large bottle of the ready-to-use tonic called "Wyeth's Sage and Sulphur Hair Remedy" at drug stores here for about 50 cents. Millions of bottles of "Wyeth's" are sold annually, says a well-known druggist, because it darkens the hair naturally and evenly that no one can tell it has been applied.

You just dampen a sponge or soft brush with Wyeth's Sage and Sulphur and draw it through your hair, taking one small sponge at a time. Those whose hair is turning gray, becoming faded, dry, scraggly and thin have a surprise awaiting them, because after just one application the gray hair vanishes and your locks become luxuriantly dark and beautiful—all dandruff goes, scalp itching and falling hair stops.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with the Sage and Sulphur tonight and you'll be amazed at your youthful appearance and the real beauty and healthy condition of your hair within a few days. Inquiry at drug stores here shows that they all sell lots of "Wyeth's" and Sulphur, and the folks using it are enthusiastic.

PIPE LINE BILL IS RECOMMENDED

Measure Declares That Oil
Carriers Are for Use of
All Concerns.

SACRAMENTO, April 18.—The bill declaring oil pipe lines common carriers, drawn up by Francis J. Heney in conjunction with the state railroad com-

mission and introduced in the lower house by Assemblyman Sutherland, came from the corporations committee today with a favorable recommendation.

Independent oil producers in the middle California field, have been urging the purpose of the bill as the only means, they say, of escape from extermination or absorption by the Standard Oil Company. The Standard and the Associated Producers each have two pipe lines from the Kern fields to tide water at San Francisco, and the Standard Transportation Company, up to Port Harford, where the oil is turned over to the Union Oil Company. Officials of the Producers Company have been fighting the bill.

To prevent congestion which threatened several days' delay to the legislature, State Printer Richardson ordered by telegraph yesterday four additional linotypes for the state printing office, and they are to be shipped from San Francisco as quickly as possible. The men of municipal buildings and workingmen have kept the winter's frost working until all hours of the night in a vain effort to keep it caught up.

Remedy for a Tax Law Injustice.

Alameda county is interested, deeply interested, in the constitutional amendment introduced by Assemblyman Clark of Inyo county providing for the taxation by counties and cities of property situated within their limits but owned and used as public utilities by other political subdivisions. Landed property worth several millions is now withdrawn from productive use by the Spring Valley Water Company; it will also be withdrawn from taxation in case the city and county of San Francisco acquires the Spring Valley plant. The exemption of this great property from taxation in the county in which it is situated is a manifest injustice which the Clark amendment is designed to correct.

During the past two years the Spring Valley Company has paid taxes in Alameda county aggregating \$200,000. Unless the proposed amendment is adopted, this revenue will be entirely lost in case the city of San Francisco buys the Spring Valley plant, as it proposes to do. In addition to this loss of revenue, the county suffers from the withdrawal from cultivation of large tracts of arable land and the impounding and diversion of the waters of Alameda creek, for use in San Francisco. The county of Alameda will be compelled to pay San Francisco more than \$60,000 a year for the privilege of being impoverished.

The diversion of the waters of Alameda creek and its tributaries has not only impoverished the land by taking away the moisture from the soil, but it has had even a more disastrous effect in other directions. Three school districts in this county have disincorporated because the Spring Valley Company bought up the lands carrying riparian rights, evicted the settlers and withdrew the holdings from tillage. This proceeding has greatly injured the towns of Pleasanton, Sunol and Niles. Thousands of acres of productive land have been turned back to pasture and allowed to grow up in wild flora. Population in certain of the rural districts has heavily declined in consequence. The natural beauty of the Niles canyon has been sadly marred, and the agricultural industry injured to an extent that is hardly appreciated by those who have not personally investigated the matter.

Inyo county is even a worse sufferer. The diversion of the waters of Owens river by Los Angeles robs that county of a still larger proportion of its taxable value and erects a barrier to agricultural development. The law which permits such injuries to be inflicted is unjust and should be amended, at least to the extent of making the property used by other political subdivisions to the detriment of the communities in which it is situated subject to local taxation.

Frank J. Gould, son of that famous captain of industry, Jay Gould, has abandoned this country to its fate. He has renounced his citizenship, shaken the plebeian dust of the United States from his feet and gone to Europe to live. Still we will not despair. Perhaps the country will survive Mr. Gould's desertion and mayhap Uncle Sam will not be forced out of business.

Working over the tariff bill has made the Hon. Oscar W. Underwood sick. It will make a good many others sick before the next election rolls around.

"Hands Across the Hills."

The Contra Costa papers are cordially extending a warm greeting and a neighborly invitation to Oakland to "join hands across the hills" with the people of that county, now that direct communication by rail has been established between them and this community, the piercing of the mountain barrier by the Antioch and Oakland electric railway which previously isolated their fertile valleys and effectually deprived them of quick and inexpensive access to the east bay shore.

Of course, Oakland will heartily respond to the invitation and the greeting. "Hands Across the Hills" is in fact an even more natural slogan than the one recently started under the inspiration of the Oakland Commercial Club banquet at Hotel Oakland of "Hands Around the Bay." Both are in the line of cultivating a friendly feeling and a spirit of good fellowship. But Oakland has a special reason for responding enthusiastically to the greeting "Hands Across the Hills," for Contra Costa County is its nearest neighbor and the fertile valleys lying at the base of the eastern slope of the Contra Costa range are this city's natural back country. Oakland is also the logical trading center for all the thrifty communities occupying these valleys whose future prosperity has been assured by direct rapid transit communication with it. Oakland is, moreover, the logical market for the various farms, orchard and vineyard products of the warm and fertile valleys and hill slopes of Contra Costa County, and its waterfront the nearest and most convenient point on tide-water where those surplus products may be shipped to other markets along the Pacific Coast and elsewhere.

Furthermore, the southwestern section of Contra Costa is becoming a great industrial section in the prosperity of which Oakland has an interest in common, for the growth of Richmond and its environs will stimulate Oakland's commercial growth and importance. What helps one adds to the welfare of the other.

It naturally behoves our commercial organizations to respond enthusiastically to the warm greeting of our next door neighbors—"Hands Across the Hills."

The burning of the big wooden hammer in the public streets of San Francisco two or three months ago did not immolate the professional knocker in that city, for his activities are as great as ever—indeed so great that they have aroused the wrath of Mayor Rolph and drawn from him a declaration of war to the death. Temporizing with a professional knocker never accomplished any satisfactory result.

The Legislature seems to be doing its best to reduce the Panama Exposition to the dimensions of a county fair.

Washington society demands the galleries in the House and Senate be enlarged. As a large majority of the members address their remarks to the gallery we second the motion. Perhaps it would be as well to let the spectators in the gallery vote inasmuch as many of the members vote to please the gallery.

JUSTICE—Fair Even to the Haywoods.

Why Playgrounds Are a Necessity.

It is to be regretted that the playground bonds failed to carry in Berkeley. We believe the citizens of Berkeley will realize before long that a mistake was made in not voting the bonds. It may be that the playgrounds are not an immediate necessity, but they will be a necessity in the near future. When the necessity is forced on the community it will not be so easy to acquire vacant property desirably situated, and the cost is likely to be much higher than at present.

Oakland made the mistake of repeatedly voting down bond issues for the acquisition of park lands. In consequence park improvements were deferred for many years, and when bonds were finally voted the city had to pay a very high price for park lands.

Children's playgrounds have abundantly justified themselves in this city. They contribute to the moral and physical health as well as the pleasure of the community, adorn the city and stimulate civic pride. In two instances natural beauty spots have been preserved. Viewed as investments, the purchase of these grounds has been remunerative, inasmuch as every plot acquired by the city as a park or playground can today be sold at a considerable advance over the purchase price.

So advanced and cultivated a community as the people of Berkeley cannot afford to do without playgrounds. They are a necessity in modern communal life. They respond to the higher aspirations of the race. They sweeten and strengthen life, make childhood happier and more wholesome, and infuse a warm, healthy current of human interest in civic activities. Playgrounds lessen the work of the police and the criminal courts and foster a fondness for outdoor exercise that is invigorating to both body and mind.

Fried Fish To-day.

Cottolene is better than butter or lard for frying because it can be heated about 100 degrees higher without burning or smoking. This extreme heat instantly cooks the outer surface, and forms a crust which prevents the absorption of fat.

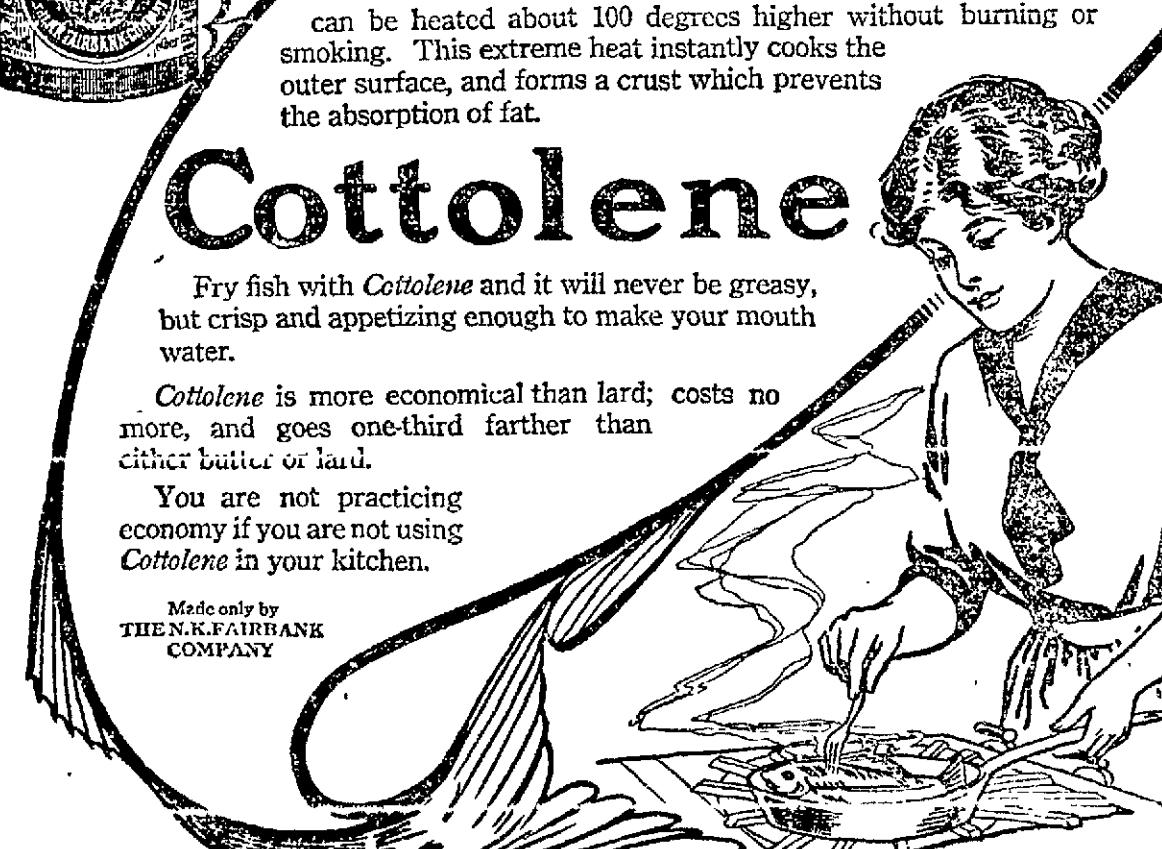

Cottolene

Fry fish with Cottolene and it will never be greasy, but crisp and appetizing enough to make your mouth water.

Cottolene is more economical than lard; costs no more, and goes one-third farther than either butter or lard.

You are not practicing economy if you are not using Cottolene in your kitchen.

The first sanitary convention ever held in California to be session in San Fran- cisco. Papers were read by Dr. J. R. Laine of Sacramento, secretary of the state board of health. Dr. Woolsey of Oakland, Drs. Winslow Anderson and W. F. McNeely of San Francisco and Dr. J. H. McLean of Alameda addressed the convention. Dr. Woolsey introduced the following resolution which was adopted unanimously. Resolved, that with a view of the sanitary protection of the people of the United States a law should be passed by Congress for the purpose of limiting the immigration of the refuse of foreign populations.

William M. Gardner, Miss Elvira Martin, E. A. Sherman Jr., and Mrs. Helen Gardner left for Fresno where they will attend the State Christian Endeavor conference.

Ruth the Mobile, a cantata to be given for the benefit of the San Leandro Presbyterian Sunday school under the management of C. Dick, will take place at St. Joseph's Hall.

The Eastmores will present Robin Hood at the Macdonough Theater. Ex-Major M. C. Chapman and wife have returned from a two weeks' visit to Los Angeles.

A Chicago banker has devised a map intended to demonstrate his plan for a reform in the currency. If it proves an implement scheme for the relief of a current financial strain, it will have an immediate support.

LATEST NEWS FROM OUTSIDE TOWNS**VOTES GROW FOR CARNIVAL QUEEN**

Miss Van Olinda Jumps to the Third Place; How Candidates Stand.

NOTES, April 19.—The two leading contestants in the queen contest of the Niles carnival to be held in May, are running a close race for the position. Miss Margaret Lynch, of Niles, who gained first place last year, and also again retains her place. One of the surprises was the jump of Miss Ethel Van Olinda of Irvington to third place.

The following shows the standing of the candidates:

Miss Margaret Lynch, Niles, 20,690; Miss Lucy Rose, Mission San Jose, 27,795; Miss Ethel Van Olinda, Irvington, 13,589; Miss Florence Abbott, Niles, 11,438; Miss Harriet Farnsworth, Niles, 9,200; Miss Anna Pines, Warm Springs, 2,156; Miss Maria Nunes, Newark, 1,890; Miss Nydine Snow, Newark, 1,741; Miss Katie Martin, Newark, 1,220; Miss Maia Moore, Centerville, 1,118.

ATHENS PARLOR VISITS HAYWARD NATIVE SONS

HAYWARD, April 17.—The visit of Athens Parlor of Oakland and its band Wednesday night was the occasion of the biggest meeting of Hayward Native Sons held for many years. Eden Parlor of Hayward did the honors of the city and entertained the visitors to a banquet in the Native Sons' hall. Previous to the meeting over 200 members of the two parlors, headed by Athens Parlor band, paraded through the streets.

Arrangements for the reception of the members of Athens Parlor were in the hands of William Knightly and Dr. Henry Powell, and an elaborate entertainment followed the banquet. Those contributing to the musical program included Charles Sonnenburg, Mr. and Mrs. John Ravanay and Victor Laverne. Selections were also played by the band and orchestra. Among the speakers of the evening was County Auditor Garrison.

Today's Beauty Recipes

By Miss D. McCall

"Many good faces are spoilt and lose character because the eyebrows and lashes are not well defined. Thin and straight eyebrows will be improved in color and grow longer and more evenly if gently massaged with pyroxine. Pyroxine has a good effect if massaged into the eyelash roots."

"Women detest superfluous hair on the face and forearms because it gives them a masculine appearance and detracts from true feminine charm. To remove hair from the face and the surface with a paste made by mixing a little powdered talcatoine with water, leave on two minutes, wipe off, wash the skin and the hair will be gone."

"Lashes, sore eyes can be cured by contracting the form of Mother's Salve, which can be bought in prepared form in any neighborhood, gives almost instant relief from pains and aches in back, sore muscles, rheumatism and sciatica."

"The Vaseline home treatment is designed to round out angular lines of women with scrawny shoulders and fat bosoms. It is made by dissolving 1½ cupsful sugar in a pint of hot water, which is added an ounce of gelatin. Take two teaspoonsful before each meal."

"The springtime is the season of youth, when every girl desires to look her very best. Fair complexion of the skin is easily obtained by a solution made by dissolving an original package of mayatone in a half pint of witch hazel. It corrects blotched, plump and shiny complexions and leaves the skin smooth, soft and velvety."

"A shampooing bath washes the head is not sufficient. The parasites that cause falling, dull, faded and brittle hair must be removed. Mother's shampoo does this and leaves the scalp in a condition to encourage the growth of hair. It prevents baldness and makes the hair glossy, fluffy and fine."

After Theater Supper AT THE HOTEL**OAKLAND**

VICTOR REITER, Mgr.

Makes a fitting climax to the enjoyment of the evening. Perfect service and unsurpassed cuisine amid the most delightful surroundings.

The place to meet and to entertain is the new two million dollar hostelry.

SIX ENTERISTS FOR FIESTA QUEEN

Miss Jessie Granhol Regains Lead in Melrose Contest.

MELROSE, April 18.—Six candidates are entered for the queen contest of the Melrose carnival to be given May 27 to 31 by Fruitvale Aero No. 1275, Order of Eagles. Miss Jessie Granhol, who last week was outdistanced in the voting by Miss Bertha Stadler, has again gained first place in the race through the efforts of her many friends. Miss Stadler, however, is close behind in the contest and her supporters are doing all they can to put her in the lead.

The other candidates are well in the running, and the voting in their case is very close. The contest has aroused keen interest in Melrose, where the four entrants are well known and popular and each has a large circle of friends. The voting up to date is as follows: Miss Jessie Granhol, 13,097; Miss Bertha Stadler, 11,155; Miss Sadie Rostrom, 5,007; Miss Ruth Zeiser, 4,427; Miss Emma Cook, 4,279; Miss Vivian Costin, 4,007.

Those in charge of the queen contest are making regal arrangements and the ruler of the festivities will occupy a more than usually enviable position.

The Colonial Social Club and other social organizations in this district which have signified their intention of joining the Eagles in making the fiesta a success, are arranging to take part in the parade and other features.

Spacious and gaudy in Melrose will be the beauty pageant, blue and gold decorations and by clusters of variegated colored electric lights by night and will present a gay spectacle of mirth and merrymaking. Every available stand is being secured by amusement caterers. The crowds of visitors will be treated to a number of novel entertaining features.

The financial committee, of which Charles Calhoun is chairman, report that the citizens of Melrose are giving their whole-hearted support to the festival and that the nucleus sum of \$10,000 is being constantly added to.

Children's Parasols in red, pink, blue or pongee tones, 35¢, 50¢, 75¢ to \$1.25.

SALOON KEEPER GETS HEAVY FINE

Warm Springs Man Penalized for Selling Liquor Without License.

PLEASANTON, April 18.—Thomas Klink of Warm Springs was fined \$200 yesterday by Judge Quinn of Pleasanton for selling liquor without a license. Klink was found guilty by a jury in Decoto. His license was revoked last October because his roadside house was run in a disorderly manner.

The sheriff made a raid recently and discovered that liquor again was being sold. Ten more like charges are pending against Klink, on all of which he will be tried.

The two men served on the jury: Eugene Stevenson, Centerville, foreman; Thomas Byron, Irvington; F. Overacher, Mission San Jose; W. Whitfield, Irvington; W. A. Benbow, Irvington; T. J. Sullivan, Niles; Geo. Perry, Alvarado; O. E. Walper, Niles; F. Rose, Niles; C. H. Hatch, Centerville; E. N. Babu, Irvington; J. B. Bernard, Niles.

ASKS FOR FREE DELIVERY OF MAIL

Hayward Shows That It Conforms to Necessary Requirements.

HAYWARD, April 18.—As a result of a resolution passed by the Chamber of Commerce at its last meeting the postmaster general has been petitioned to grant Hayward free mail delivery. Business men and the citizens generally feel confident that the request will be granted before long. Hayward, as is pointed out in the petition, conforms in every respect to the regulations governing the granting of a free delivery system. The clearing in the postoffice for the past year was \$11,000, whereas only \$10,000 is required in order to secure free delivery.

Government officials will probably make an inspection of the postal conditions in Hayward in order to determine whether the city should be granted its request.

POSLAM CURES WORST GASES OF ECZEMA

To have suffered the tortures of eczema, acne, itch, etc., for years, and to suddenly find that the trouble has disappeared after a short treatment with Poslam, is the experience of satisfaction difficult to express. This is the result of daily full applications of the cream of the actual accomplishments of Poslam, the perfect skin remedy. Worst skin diseases are quickly eradicated by Poslam, and the results are permanent. Common diseases such as pimples, red sores, rashes, etc., respond so rapidly that overnight treatment is often sufficient.

ARRANGE BIG RECEPTION

RIGHT REV. EDWARD J. HANNA, D. D.

An interesting and important event in ecclesiastical circles will be the reception tendered next Tuesday evening in the ivory and rose ballroom of the Hotel Oakland to the Rt. Rev. Edward J. Hanna, D. D., the newly appointed Auxiliary Bishop of the Archdiocese of San Francisco. This reception will be participated by the people of the various parishes of Oakland, Alameda and Berkeley, and will be given under the auspices of the Catholic Societies on this side of the bay, including the Knights of Columbus of Oakland, Alameda and Berkeley, the Oakland division of the Ancient Order of Hibernians of Oakland and its Ladies' Auxiliary, the two councils of the Young Men's Institute, Nos. 6 and 8, the two divisions of the Catholic Knights of America, the Daughters of Isabella, the various parish branches of the Catholic Ladies' Aid Society and the St. Francis Benevolent Society of Fruitvale.

SHORT ADDRESSES.

There will be a short program consisting of an address on behalf of the laity by J. J. McDonald, and on behalf of the clergy by the Rev. P. C. Yorke, pastor of St. Anthony's church; vocal solos by Miss Josephine Heinrichs and Jos. J. Rosborough. The response of the Rt. Rev. Bishop Hanna will be an illuminating address on Catholic principles and ideals. An informal reception will follow principles and ideals. An informal reception will follow the program in order that the Bishop may make the acquaintance of the Catholic people personally.

H. J. Quinn, the past grand knight of Oakland Council of the Knights of Columbus, is chairman of the reception committee, of which Jas. C. Walsh is secretary and Joseph F. Kenney treasurer. The reception committee includes Judge Wm. H. Donahue, Dr. J. L. Milton, Dr. J. L. Slavich, John J. McDonald, C. D. Maloney, Elmer Dyer, M. R. Bronner, James J. McElroy, Hugh Hogan, J. H. Hennessy, John Cox, D. S. McCarthy, F. M. Cerini, Vincent A. Doob, P. J. Bryan, John Gallagher, Mrs. Hugh Hogan, Mrs. H. E. Magee, Mrs. J. C. Lightfoot, Mrs. T. P. Hogan, Mrs. J. H. Mellon, Mrs. J. A. Kennedy, Mrs. M. R. Bronner, Mrs. V. A. Dodd, Mrs. H. J. Quinn, Mrs. J. L. Milton and others.

ITCHING ECZEMA WAS UNBEARABLE

Doctor Prescribed Resinol. Relieved Him at Once—Soon Cured.

STONEHAM, Mass., Jan. 27, 1913.—Six years ago my skin became very red and for two months I suffered much from itching eczema, which at times became unbearable. I tried many remedies without relief, but I fortunately visited a doctor who gave me a prescription which proved to be Resinol Ointment and I received relief at the first application—it was so soothing in its effect. Then seeing Resinol Soap recommended, I used them together. I was completely cured in a few weeks, and have never had a touch of it since.

Resinol Soap Only Soap He Can Use.—“I cannot too highly recommend Resinol for any one suffering with skin trouble, and Resinol Soap is the only soap I can use without irritation” (Signed) Arthur E. Tobey, 42 Pomeroy St.

These words, from one who has himself suffered and been cured, are more convincing than anything we could say of Resinol. If you, too, are tormented by a severe skin trouble, why not let us tell you what Resinol does for you? Write to Dept. 21-T, Resinol, Baltimore, Md., for free samples. Every druggist sells Resinol Ointment and Resinol Soap.

If the powers of the New York police are lessened, it will throw a noble army of Monday-morning collectors out of employment.

MEEK IS HONORED FOR GREAT WORK

Many Compliments Are Paid Bluecoats by Visiting Templars.

Many compliments were paid by visiting Templars to the showing of the Oakland police force in the parade yesterday. Under the leadership of Captain Tomoway Brown a picked squad marched with military precision at the head of the parade, preceded in an automobile in which were seated Chief of Police Walter J. Petersen Captain Charles Rock, former Chief of Police Adelbert Wilson and Captain of Inspectors J. F. Lynch. Sergeant Jack Sherry drove the machine. Inspector Harry Green was not with the police, but marched in the ranks of the Templars.

Fred E Reed represented the Commercial Club and, with Guy Smith, directed the taking of motion pictures along the line of march. Al Williams operated the machine. The pictures will be shown in practically every theater in the country. Special pains were taken to get Oakland's prominent buildings into the pictures.

If the powers of the New York police are lessened, it will throw a noble army of Monday-morning collectors out of employment.

\$450 Worthless Check Gets Alleged Guggenheim Co. Detective in Trouble.

CHICAGO, April 18.—Charles L. Hutchinson, who says he is a private detective for the Guggenheim Mining Co., was arrested here today charged with having passed a worthless check for \$450 in Pasadena, Cal., a month ago. Hutchinson gave his age as 28, and said his home was in Wilmington, Del. According to the local police, he was trying to pass another check in a local store when apprehended by a representative of a detective agency. The Pasadena charge named the Union National Bank of that city as complainant. Hutchinson denied the accusations.

WOMEN'S CLUB TO GIVE OPERA TONIGHT

RICHMOND, April 18.—The comedy, "The Merchant," is to be given under the auspices of the Women's West Side Improvement Club at the Richmond Theater this evening by San Francisco talent. The women have spared no pains or time in preparing all the details for the repetition of this popular play, which has been delighting San Francisco audiences, and hope to have an unprecedented attendance, not only on account of the merits of the play, but also because of the object for which it is given. The proceeds will go to the building of the Richmond public library, which is costing the trifling sum of a day or two thousand dollars to waste, and which the St. Paul's Camp offers to donate to the Women's West Side Improvement Club if the other civic organizations do the same. In most cases, however, the money will be given to the clubs, who have been greatly troubled by debts. The star of the night, Miss Ethel Werner, daughter of H. W. Werner, well-known here.

STATE HIGHWAY FOR RICHMOND

Contra Costa Supervisors Will Meet With Commission Tuesday.

RICHMOND, April 18.—A meeting has been arranged with the Board of County Supervisors and the State Highway Commission at Sacramento for next Tuesday, at which time the matter of running the state highway along the waterfront of Contra Costa county from Martinez to Richmond, thence on San Pablo avenue to Oakland, will be settled.

Arthur B. Coleman announces that he is meeting with success in interesting the banks of the state in buying \$100,000 worth of the state highway bonds. The Oakland banks, it is understood, are to subscribe for \$100,000 worth of the bonds.

Charles D. Blane, of the state commission, and Arthur B. Coleman, who are the engineers of the committee, will be here on the plans and specifications of the part of the road to traverse Contra Costa county.

The new state highway will be built in accordance with the plans and specifications of the part of the road to traverse Contra Costa county.

JEWELRY IS STOLEN.
SAN FRANCISCO, April 18.—Jewelry to the amount of \$100 was taken from a secret hiding place in the home of Mrs. Daniel McDonald, 884 Hickory avenue, some time during the night. The prowler made his way through a window and left without arousing the family.

Don't Hide Them With a Veil: Remove Them With the New Prescription.

An eminent skin specialist recently discovered a new prescription, ointme—double strength—which is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by Osgood Brothers under an absolute guarantee to refund the money if it fails.

Don't hide your freckles under a veil. Get an ounce of ointme and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles disappearing entirely.

Be sure to ask the druggist for the double strength ointme. It is this that is sold on the money-back guarantee.

CONCERNING REFORMATORY.

Editor TRIBUNE: Will you kindly permit a few words in regard to the adult reformatory system in San Fran's TRIBUNE, dealing with the creation of an adult reformatory.

Mr. Grunsky's contention that such an institution is needed is in line with modern social-legal developments and in keeping with the plain sense of the leading political parties of this State, is well taken.

As matters stand, California now owns a state much better suited to the needs of such an institution than the location about which the Napa folk are raising such a stir.

The so-called juvenile reformatory at Los Angeles, which is a little out of the way, is not suitable for an adult reformatory.

SPLENDID USED PIANOS A

WEEK-END ATTRACTION

The accumulation of used Pianos, which have recently been taken in exchange for Mason & Hamlin Pianos, and fine Player-Pianos, is growing topheavy. All sorts and descriptions of good Pianos, many from the most famous of makers, are being offered in our week-end sale, and at prices that will certainly make an appeal to those who appreciate a real bargain in Pianos of high quality.

USE DON'T HURT A GOOD PIANO and THESE ARE GOOD. For \$100 a good, serviceable upright may be had; at \$120 a still better one; others, of many famous makes—WEBER, CHICKERING, FISCHER, PEASE, HALLET & DAVIS, THAYER, DECKER, HAMILTON, KOHLER & CHASE, CABLE, LUDWIG, and dozens of others of every type and description, in fancy mahogany and walnut cases. Each one has been fully renovated and will pass, in most cases, as a new Piano.

Surely you should see them. We know what they are, what they represent in piano values, and you can only appreciate their merit by seeing them and listening to their splendid tones.

Especially easy are the terms offered; doubly attractive the prices. Come in today.

CHICAGO, April 18.—Mrs. Augusta Dietz, widow of George Dietz, a tailor, who was beaten to death with a hammer at his home in Alvin avenue last Monday, and George Nurenberg, owner of a harness shop, were formally indicted yesterday on charges of murder. The complaints charge Mrs. Dietz and Nurenberg with having murdered the woman's husband by assaulting him with a hammer. The preliminary hearing will be continued until after the coroner's inquest, which is to be resumed on April 24.

SOCIETY

THE "family dinner" which is to be given at the Claremont Country Club tomorrow night, promises to be one of the most successful meetings in the history of the club. It will be much like the jolly informal affairs of a large family, with all the members of the club joining to assist in the entertainment. Any number of delightful small or large dinner parties will be presented over by local society folk who belong to the country club. Mrs. L. Johnson, who is chairman of the committee on arrangements, and those who have been helping him, have planned several surprises during the evening, and toasts and music will add some pleasant features. After the dinner the members will dance until a late hour. Among the prominent society folk who will entertain with small dinner parties will be Mr. and Mrs. John Pym Neville, Mr. and Mrs. Edward Lacey Brayton, Mr. and Mrs. H. B. Green of Berkeley, Mr. and Mrs. Harry Haight, Mrs. George King, Mr. and Mrs. George de Golia and many others.

DEBUTANTES AT BRIDGE.

Miss Etta Schroek was a bridge hostess yesterday for about a score of the younger set, entertaining at the home of her parents, Mr. and Mrs. William A. Schroek. From Oakdale Park, ten tennis parties of the same were given in the wings of the bridge session, and a delightful hour of chat over a dainty tea completed the afternoon's pleasure for the ladies and debutantes. Among the guests of the charming young hostess were: Miss Marguerite Black, Miss Helen Dabney, Miss Elva Ghirardelli, Miss Carmen Ghirardelli, Miss Helen Coogan, Miss Mildred Wells, Miss Gertrude Adams, Miss Marie Howell, Miss Pearl Cawston, Miss Phyllis Lovell, Miss Margaret Warner, Miss Dorothy Capwell, Miss Anne Spring, Miss Dorothy McBoyle, Miss Villa Ziegauus.

LUNCHEON SERIES.

Mrs. William Griffith Henshaw entertained about a score of young matrons last Saturday at Rose Crest, her Vernon Heights home, with an exquisitely arranged luncheon, the first of a series which Mrs. Henshaw has planned for the early season. Miss Walsh gave an address after the luncheon, discussing current topics of the day for the pleasure of the guests. The second of the series will take place next Thursday afternoon.

ENGAGEMENT ANNOUNCED.

The engagement of Miss Lilla Marshall to William S. Wells Jr. has just been announced by means of cards which have been received by the friends of the couple in local society. The announcement is not a surprise, as the interest of the two young people in each other has been apparent to their friends for some time.

Miss Marshall is the daughter of the late Charles Knox Marshall and Mrs. Marshall, and is member of one of the most prominent families in the bay cities.

An attractive girl who is included in all social circles.

Her fiancé is the son of Judge William S. Wells of the Superior Court and Mrs. Wells, and is a brother of Miss Mildred Wells, a popular member of the younger set. He is a practicing attorney. Both Miss Marshall

'TIS NESTING TIME AT BIG HOSTELRY

SAN FRANCISCO, April 18.—All nature seemed to have found a haven in the Palace Hotel last night when J. E. Bird of Philadelphia inscribed his name on the hotel register. Perched for the night on a line a few inches above Bird was a Pigeon—Charles A., from Fort Wayne, while hidden away on another page was resting peacefully Sally Quail of Cleveland, Ohio. Then a little further on the black ink revealed the presence in the hotel of Etta Crow, Rosario, Wash. Long before their coming O. W. Robbin of Santa Ana had been escorted to a room by a bellboy, who had hardly returned to the bench before Edward W. Swan stalked in from Boston and demanded lodgings for the night.

DONATES \$3,000.000 PLAYGROUND TO N. Y.

NEW YORK, April 18.—Through the generosity of a man, as yet unnamed, who is interested in the development of the public playground movement, \$3,000,000 worth of land will shortly be presented to the city. The announcement comes through Park Commissioner Stover, who says that the entire tract was within the limits of Greater New York, and that it would be devoted to playgrounds used for the benefit of the city's children. The donor, he said, prefers to remain anonymous at present.

NAPS WHILE MEAL IS COOKING: BURNED

SAN FRANCISCO, April 18.—A small alcohol lamp overturned in the room of Henry Noren, 492 Grove street, early today set the interior ablaze. Noren, who had been taking a nap while his breakfast was cooking, jumped up and attempted to extinguish the blaze. He succeeded, but not until his clothing had caught fire and his right foot was severely burned. At the Central Emergency Hospital Dr. Harrison dressed the burns, which will confine Noren to his home for several weeks.

CLAR—Sometimes the dark circles under the eyes are hereditary, but more often they are caused from some internal ailment. Lack of sleep and eye-strain caused from study will make dark circles under the eyes. Anemia or kidney trouble will also cause them, and the external remedy cannot be permanent while the internal

cause exists. Bathe the eyes with cold water and massage under them with a good skin food. This will help to remove the dark rings. I shall send you a formula for an excellent eye-wash if you care for it and will send me a stamped, addressed envelope.

SOME of these advertised hair removers remove the hair with one application, but rarely remove it permanently. If you will send me a stamped, addressed envelope I shall be happy to send you a formula for removing superfluous hair.

BRIDE OF YOUTH FLEES FROM MA-IN-LAW

Mrs. Bassett, Jr., Leaves Palo Alto to Escape Wrath of Mother.

POLO ALTO, April 18.—After forcing her daughter-in-law to leave the town on the next train after her arrival, and with the ink on the marriage certificate hardly dry, Mrs. Grace M. Bassett began proceedings for the annulment of the marriage of her 17-year-old son, Burton B. Bassett, to Miss Clarence Brooks, said to be 31.

The couple went to Redwood City Saturday, and after obtaining a marriage license were quickly married by the Rev. David M. Cabot, of the Episcopal church. After spending a honeymoon trip in San Francisco the couple returned to Palo Alto Monday morning, expecting a reconciliation with the bridegroom's relatives.

Instead of receiving her daughter-in-law with open arms, the irate mother-in-law rushed to her attorney, N. E. Malcolm.

As a result the bride and her mother suddenly left the town for San Francisco, and annulment proceedings were immediately begun.

Attorney Malcolm said that under the juvenile laws of the state, Mrs. Burton Bassett is subject to arrest and prosecution for interfering with the care and custody of a minor.

Still Heart-Whole

NEW YORK, April 18.—Miss Genevieve Clark, daughter of Speaker Champ Clark, on the eve of her departure yesterday, insists that she will return to this country unmarried.

"I know," she said, "that a girl of 19—that's my age—should be thinking of marriage, but you see, co-education makes girls and boys remain longer in the family until they go to work. There are a lot of children in a way."

Miss Clark was referring to her plans on return, when she hoped to go to her mother's alma mater, the University of Missouri. She said she intends to specialize later on educational work and aid the mountain folk of Tennessee and Kentucky.

"Besides," she continued, returning to the subject of marriage, "I never yet have seen a man who comes anywhere to being like my father, for he is my ideal man, and the one I eventually choose must, of course, come up to my ideal."

J. W. Peary, stepfather of Mrs. Orr, died in Santa Cruz March 12, 1912, leaving large holdings of real estate in Santa Cruz county and elsewhere. He died intestate, and although there are about twelve heirs, Mrs. Orr is more closely related to the dead capitalist than the others.

U.C. STUDENT IS DROWNED IN TANK

Leon Ehrenfeld Attempts to Swim at Y. M. C. A. With Fatal Results.

BERKELEY, April 18.—The remains of Leon Ehrenfeld, a freshman student in the College of Medicine, the University of California, who was drowned while attempting to swim in the tank at the Y. M. C. A. last night, was sent to his widowed mother, Mrs. F. Ehrenfeld, at Pasadena this afternoon. Funeral services will be held there on Saturday.

The apparently lifeless body of Ehrenfeld was found at the bottom of the swimming pool shortly before 7 o'clock last night by P. E. Embury, who happened to be walking along the edge of the tank. He dove in, bringing up the body of the victim, whom Dr. Robert Hector and members of the police department attempted to resuscitate him by the use of the resuscitator and other devices. After two hours of heroic work, the attempt was abandoned, futile.

It is believed that Ehrenfeld had been in the water about 20 minutes, as during that time there had been no person near the pool. It is always left open for use of the senior members. Today it was learned that the deceased had been studying late at night for the next week, and was apparently exhausted when he plunged into the water. It is believed that he did not know how to swim, although some of the members assert that he did.

He was a freshman in the College of Medicine, aged 24 years. Since entering the university he has been a member of the Phi Chi medical fraternity, and lived at 2446 Bancroft way. Besides a mother he leaves a brother, Day Ehrenfeld, a student at Occidental College, Los Angeles.

LADIES' NIGHT OF COLUMBUS KNIGHTS

ALAMEDA, April 18.—Alameda Council, No. 1678, Knights of Columbus, were hosts at a ladies' night of the organization yesterday. An excellent program, arranged by the lecturer, J. C. Fogarty, and consisting of musical numbers, cards and dancing, formed the entertainment. The program was as follows:

Waltz, Miss Mary Rose; Joseph J. Hobson; fancy dancing, Miss Evelyn Malvany; accompanist, Miss Marie Ross;

Remarks, Chas. Whelan, Dist. Dep. V. A. Todd, Rev. J. J. Conwell, Miss Rebecca Rich.

Waltz prizes were won by Miss Irene Smith, A. Kist and others.

Following the program a banquet was served.

The committee to charge of the entertainment consisted of: Mrs. John Schwartz, S. J. Kenny, J. J. Fahey and Louis Lefevere.

LOS ANGELES TO HAVE FREE CURB MARKETS

LOS ANGELES, April 18.—Curb markets will be installed by the municipal government as an experiment in combating the high cost of living. Free market space will be allowed to vendors along the curbs of prominent thoroughfares.

If it makes you short of breath to go upstairs, you need no other proof that your blood is thin and watery. Next to pallor this is the commonest symptom of anemia.

Every woman who fails to pass the staircase test should build up her blood at once with Dr. Williams' Pink Pills. Dr. Williams' Pink Pills build up the blood and in this way strengthen every part of the body. This improvement goes on until perfect health results. Every pale, anemic woman is urged to send for the free booklet, "Building Up the Blood" and "Plain Talk to Women."

Dr. Williams' Pink Pills are sold by all druggists at 50 cents per box or six boxes for \$2.50 or they will be sent, postpaid, by the

Dr. Williams Medicine Company, Schenectady, N.Y.

SPEAR TO TALK BACK TO REED

Berkeley Candidate Declares He Will Answer Charges of U. C. Professor.

BERKELEY, April 18.—Charles H. Spear, candidate for mayor, came out today with a challenge to Prof. Ebenezer Reed, who is supporting his opponent, Charles D. Heywood, to meet him on the public platform during the present campaign and debate. Spear's administration of the San Francisco waterfront, while president of the State Board of Harbor Commissioners in Gov. Pardee's term board. At a well attended meeting at the last two addresses that Spear's administration was inefficient and wasteful.

Spear declared this morning that he would devote the chief part of each of his meetings from now on to the detailed account of his stewardship in the harbor

board. At a well attended meeting at the Berkeley High School auditorium last evening Arthur Adlet was chairman and spoke in Spear's support.

WATERFRONT QUESTION

Spear touched very briefly on the waterfront question, promising at every future meeting of the candidates to tell the history of his administration, which from end to end, relating to the waterfront ponds, passed while he was president of the harbor commission, he said.

"I want to cite one little bit of evidence at this time as to whether I economically administered the affairs of the waterfront. It became evident that we must have money for its development, and with others I went to Sacramento and assisted in getting passed a bond issue of \$2,000,000. There appeared a defect in the bonds, but we got this set aside in the courts.

"At the start of my administration, finally, I turned over to my successors selling a quarter of a million under the most favorable terms. Two months thereafter came the earthquake. Labor was at a premium, and to do any work would have meant to lose to the state far more than 50 cents on the dollar. It took us all our time, besides, to put the waterfront in condition.

"At the end of my administration, I turned over to my successors \$1,750,000 in unpaid bonds, \$250,000 in cash, and besides this \$12,000 in accrued premium. Does that look as if I had been careless or inefficient? At least every one, from the greatest disaster, as to have eyes only for the tasks he himself had, was there not even possibility to have spent illicitly that \$200,000 and get away with it?

"I mention this as just one isolated fact. I shall have a dozen more to tell before the campaign is ended, and I shall have exact facts and figures to back them up."

REUNION OF 1903 CLASS PLANNED

Tenth Anniversary of the U. C. Graduates to Be Held in Berkeley.

BERKELEY, April 18.—The class of 1903 of the University of California is arranging to hold a reunion on the tenth anniversary of its graduation, on May 10, at the Hotel Shattuck. There were 600 members in this class.

Allen Matthew is making the arrangements for the banquet and the entertainment which is to follow. It is planned to revive old college songs and yells and to reproduce portions of the class extravaganza which was given in 1902, being the first performance in the new famous Greek Theater.

These reunions are held every five years and are looked forward to with pleasure.

REPUBLICANS PLAN REVISION OF RULES

WASHINGTON, April 18.—Formal demands upon the officials of the Republican National Committee, to take action toward securing a Republican convention next fall for a revision of the party's rules, is expected to result from informal discussions between the party leaders who favor the convention idea. Representatives thus far made to Chairman Utiles and other officers of the committee have failed to bring about any action.

It is known that Senator Cummins and others active in the campaign in the convention idea are taking steps to bring about the national gathering.

INJURED ALAMEDAN ON WAY TO RECOVERY

ALAMEDA, April 18.—Electricity Commissioner Charles Adams, who had his right arm broken in a fall from an automobile on March 31, is reported as improving rapidly. He will leave tomorrow with Mrs. Adams for Santa Barbara, where the couple will spend a fortnight at the Hotel Arlington.

Adams was alighted from the automobile, which had slowed down and which he believed would stop. As he stepped from the car the driver released the clutch, the machine darting forward and throwing Adams to the street.

He was carried to a hospital, where he was told he had suffered a fracture of the right arm.

GREAT SCHEDULE OF SPORTS TO BE STAGED TOMORROW PROGRAM WILL BRING GLORY TO EITHER MURPHY OR WOLGAST TOMORROW

Wolgast Continues to Rule Favorite Despite Adverse Reports

CHAMPIONS APPEAR TO HAVE UNPACKED CLUBS

Thirty-Eight Hits in Three Days Looks Quite Satisfactory

[By DILLY FITZ.]

The question before the house is: If the Oaks could climb to the top of the tangle while their batting average was so modest, what's to be expected when they pull thirty-eight pokes in three days? Del Howard, please write, dueto Wolgast, McCredie, Hogan—Mother Oak dippy—S. O. S. P. D. G.

While the champions were slipping the poppy powder to the Seals yesterday, the heavenly choir chanted the De Profundis at Portland, spilling the Ducks out of the first division and permitting the Wolves to break into the money by virtue of a third consecutive triumph over Venice.

Thus in today's chapter of the "Tale of Three Cities" we find a great walling and gnashing of teeth at Portland and gobs of sorrow in the southern city of sighs. Sacramento, Oakland and Los Angeles are opening quart bottles of joy, while in San Francisco they prefer to discuss the weather and the Murphy-Wolgast fight.

Last Monday it was remarked in these columns that the series with Venice demonstrated whether Harry Wolgast's class was a half team or a lemon grove. It appears now that Sacramento fans will have to get their lemons at the fruit stores. The Wolves have struck a good road trip and figure to win their first series without due exertion.

It didn't take the Oaks long to cotton to our medical friend, "Doc" Frosty Thomas, who was feeling so good that he asked Howard for the permit to prescribe. Doc's pills proved good medicine; note how the B.H. column thrived on them.

The rise of the curtain was to the accompaniment of the first of three safe splinters from the bat of "Whispering Bill" Leard, leader of the working crew.

Bill started his career in Central Park and had scarcely dusted off his pants before Schirn chased him to third on a perfect sacrifice. Then the heavy artillery opened up and Thomas looked like the last. Modern Grammar School, however, left, leaving Leard. Cox tripped to the same place, scoring Zacher, and Hettig cleaned up with a star past Cartwright, but was snuffed at second, Spencer to Corhan, Ness pronouncing the "amer" with a cloud mixer to Zimmerman. Three clacks and sad sweet notes on the face of the Seal huter.

Killay had his curve ball working nicely, and was seldom in trouble, though the afternoon was not quite warm enough to suit him. He was pulled in half the time, three times, by poor Murphy, the last coming in the ninth inning, and being good for three bases to right and a Lundstrom.

Mundoff's hits do not figure in the run column, though for the Seals earned nothing but a shut-out, Killay having no one but himself to blame for the lonely dent in his record. McCordle was the circuit; in the third inning on a single, passed ball, Zimmerman's walls and a manful stone, and all hands piroqueting safely on the three bags. Corhan showed more judgment when he transferred Cox's grasscutter to McCordle, forcing Zacher for the shift.

No. Listener, that was not a new moon. That was Leard's grin after he stole second in the ninth inning. When "Tub" Spencer's arm and Leard's legs conflicted something has to happen. It was hell-and-hoss yesterday, for Spencer flagged "Whispering Bill" in the seventh.

Schirn has been improving at the bat, and figures to shape up even better when the days grow warmer. He is a regular work-horse and very popular with his teammates.

Delegations of Knights from Los Angeles and Portland sat in the grandstand yesterday and kicked each other as the score boy hung up the results from the North.

Mitze wants to work Pope this week, while the going is good, and may send the youngster in today.

Harry Ables had the splints removed from his hand yesterday, and will be back in the game within three weeks. It will be another month before Mitze plays.

Cook did not deserve the error that was placed against him in the second inning, when Killay tried to catch Corhan,

No. Listener, that was not a new moon. That was Leard's grin after he stole second in the ninth inning. When "Tub" Spencer's arm and Leard's legs conflicted something has to happen. It was hell-and-hoss yesterday, for Spencer flagged "Whispering Bill" in the seventh.

Schirn has been improving at the bat, and figures to shape up even better when the days grow warmer. He is a regular work-horse and very popular with his teammates.

Delegations of Knights from Los Angeles and Portland sat in the grandstand yesterday and kicked each other as the score boy hung up the results from the North.

Mitze wants to work Pope this week, while the going is good, and may send the youngster in today.

Harry Ables had the splints removed from his hand yesterday, and will be back in the game within three weeks. It will be another month before Mitze plays.

Cook did not deserve the error that was placed against him in the second inning, when Killay tried to catch Corhan,

Mundoff's hits do not figure in the run column, though for the Seals earned nothing but a shut-out, Killay having no one but himself to blame for the lonely dent in his record. McCordle was the circuit; in the third inning on a single, passed ball, Zimmerman's walls and a manful stone, and all hands piroqueting safely on the three bags. Corhan showed more judgment when he transferred Cox's grasscutter to McCordle, forcing Zacher for the shift.
